

TAFE QUEENSLAND HIGH SCHOOL GRADUATE PROGRAM

ARE YOU CURRENTLY STUDYING IN YEAR 11 OR 12?

The TAFE Queensland High School Graduate Program has been specifically designed to help you make career choices and decisions for life after school. Carefully designed by high school career counsellors, the Program will help you to research career fields and determine if you should continue with further study, start an apprenticeship, start working, or pursue other fulfilling avenues.

Learn how to decide what to do after school by using our employment problem-solving and decision-making model.

Some additional skills that you will learn from this online program:

- » Identify career fields that you would enjoy
- » Identify what skills you have now that you can contribute to an employer
- » Determine if you need to complete further study in order to achieve the job of your dreams

- » Identify where there are jobs near you and how to find employment
- » Learn how to apply for work, regardless if it is full-time or part-time while studying
- » Master writing a targeted Resume, Cover Letters, and Selection Criteria
- » Prepare for job interviews

This program has been specifically designed to help high school students to research suitable careers, choose whether to take further study, and master the job application process.

This program will take around 5 hours to complete, and will allow you to make the decisions you need to make before completing high school.

For just \$99 (including GST), you will have access to this entire online program and our Knowledge Bank of support materials for 12 months from the date of purchase
